Description

الوصف:

The early model 172 prior to the introduction of the cuffed leading edge, has very nice in flight handling and is quite a different feeling to fly. The manual flaps are an addition primary flight control in our opinion and can pop the aircraft off the ground, and sit it back on when you most need it. There are lots of videos online of people like CC Pocock really working these early model 172's. This example has had lots of money spend and TLC given to it over the last few years. The engine was overhauled in 2009 and has 187hrs. The airframe is very low time at only 3097hrs and it has the McCauley prop with the EM airfoil which gives it a definite edge on take off. The paint is very good, and always polishes up well. -Interior has a nice authentic feel to it, and complements the paint nicely. Previously on the G-Reg as G ARWO and has been in the UK prior to introduction of VAT, so it is considered VAT paid and in free circulation. Any inspection welcome and delivery is not an issue.

Airframe / Engines / APU

Airframe:

Make: Cessna

Model: 172C

Year: 1962

A/F Serial Number: 172-49187

A/F Hours: 3097hrs

Country of Manufacture: USA

Engines:

Engine Make: Continental

Engine Model: O-300-D

Engine S/N: 31R359

Engine Horsepower: 145hp

Hours SMOH: 187hrs

Date of last major overhaul: 3rd May 2009

Overhaul Shop: New

Last Compressions: On Inspection

Prop S/N: E16875

No. of Blades: 2

Type of Prop: Fixed Pitch

Hours of SPOH: 187hrs

Avionics

Avionics:

Com 1: King KX-125

Transponder: Narco AT-150 Mode C

Intercom: Sigtronics SPA-400

Interior / Exterior

Interior:

Original or Refurbished: Refurbished

Seatbelts: Renewed

Intercom Jack Points: Two Place

Glass Quality: New Windshield

Exterior:

Original or Resprayed: Resprayed

Registration Painted or Decal: Decal

Scheme Description: Cream base with navy blue striping in OEM scheme

معلومات إضافية

معلومات إضافية:

Seats: 4

Fuel Capacity: 42 USG

Cruise Speed: 105kts

Fuel Burn: 8 USG

Annual Due: 16th Feb 2018

Location: EINC

Aircraft Cover: Cambrai Cover

VAT Paid: Yes

Private use only no flight school ops: Yes
