Description

Description:

Available for outright purchase or fractional share sale, this very nice Cessna Citation Jet based in Charlotte, NC. Featuring seating for six, the "original" light jet cruises at 350kts, and operates for about \$1000/hr with a range of 1000nm. Professionally flown and maintained with engines and airframe on programs, your out of pocket expenses will be very consistent month to month and hour to hour.
