### Listing details

Reference Number: RF835453

### Common

Title: Grumman AA5 Cheetah G-IFLI  
 Aircraft Type: Single Engine  
 Engine Type: Piston  
 Ad Type: For Sale  
 Condition: Used  
 Price: € 14,995  
 Fuel type: Avgas  
 Built: 1979  
 Serial Number: AA5A-083  
 Registration: G-IFLI  
 Total Time: 8500  
 Posted: 10.05.2018

### Description

Description: The AA5A Cheetah is the refinement of Grumman Traveller, and its a much later model aircraft being

built in 1979. It is a fine four seat low wing trainer/tourer within the reach of most pockets. This Cheetah has served the previous owner well and has always been very reliable. Benefits from ILS and Mode S. Lots of time left until next annual in March 2018 and can be maintained and remain based in EINC. Outdoor cover come with the aircraft and its also got the Long Range 51 USG tanks. So many pilots who has flown G-IFLI will attest to how well it flies and how smooth it runs. Well worth a look if you are in the market for a low cost Group A aircraft. The last annual was very thorough and the engineers spent alot of time on the aircraft, and were impressed to see all the cylinders in the late 70's on the compression check. Any inspection welcome.

## Airframe / Engines / APU

Airframe:            Make: Grumman  
                          Model: AA5A Cheetah  
                          Year: 1979  
                          A/F Serial Number: AA5A-0831  
                          A/F Hours: c. 8500hrs

Engines:            Engine Make: Lycoming  
                          Engine Model: O-320-E2G
